You Won't Believe Your Taste Buds.

Our pitchers are third-party tested to remove any harmful contaminants you wouldn't want for you or your family. Start enjoying the delicious, clean taste of Aquagear and taste the difference.

The Aquagear Filter Pitcher holds 10 cups of water.

- Hydrated You Is Happier You. Our filter not only lasts 3x longer than the competition but creates an unparalleled taste experience that's safe to drink. Because when water tastes better you drink more of it and feel better.
- Next Level Filtration. Our third-party tested filter successfully removes 2000% more contaminants than the leading competitor, including harmful contaminants like lead, chlorine, microplastics, trace pharmaceuticals PFOA/PFOS, PFAS, and more.
- Cleaner Water For a Cleaner World. We believe in keeping as much waste out of our landfills and oceans, that's why our pitchers and filters are 100% recyclab' ?

Aquagear Filter Pitcher | Aquagear

We'll even send you postage-paid labels, so all you have to do is package your used filter and drop it in the mail, and we'll take care of the rest.

- BPA-Free, And Totally Vegan - Our pitchers and filters are BPA-free, making for a safer, cleaner drinking experience.
- Donating Filters For Every Purchase - Thanks to the Aquagear Foundation, every time you purchase a product or recycle a used filter we help build biosand filters for families in Tanzania without access to clean drinking water.
- Guaranteed For Life. For Real. - Your Aquagear water pitcher comes with our lifetime guarantee. If your pitcher ever breaks, we've got your back.
- Filters Made in the USA - Aquagear filters are proudly made in the USA.
