From the Board

Resolution Update:

Thank you to all who continue to send in your signed resolutions. It is obvious that the majority do understand that we do not live in "No man's land, with no laws or governance." We are a Property Owners Association community that has, by law, elected a Volunteer Board of Directors to see that our community business is taken care of, not only to meet legal requirements by the State of Colorado, but for the good of all property owners. Some advice for the very small percentage who cannot find a way to accept rules and governance—perhaps they should consider a more remote area to live. Resolutions will continue to be mailed, until everyone has been heard from. In the event that anyone has misplaced the one sent in the mail, you may go to www.MidwayRanches.com—click the yellow Resolution button from the menu on the left side of the page and follow the directions for sending it in.

"OUT OF THE MOUTHS OF BABES":

A father was approached by his small son who told him proudly, "I know what the Bible means!" His father smiled and replied, "What do you mean, you 'know' what the Bible means?"

The son replied, "I do know!"

"Okay," said his father. "What does the Bible mean?"

"That's easy, Daddy..." the young boy replied excitedly, "it stands for Basic Information Before Leaving Earth."

HAPPY VALENTINE'S DAY TO ALL!

Did You Know? Bananas: Peel a banana from the bottom and you won't have to pick the little 'stringy things' off of it. That's how primates do it. Take your bananas apart when you get home from the store. If you leave them connected at the stem, they ripen faster.
