Anyone wishing to run for either seat must have their resume to the MRPOA office no later than April 1, 2009. All potential Board Members must be in full compliance with all MRPOA Protective Covenants as well as Pueblo County Departments laws and regulations.

Resolutions will continue to be mailed, until everyone has been heard from. A Huge Thank You to ALL who are sending up prayers and contributing to help Lollie. It is much appreciated.

REMINDER: Each property owner is required to place a culvert of at least 12" in diameter when putting in a driveway. Culverts that are too small do not allow for proper drainage during times of high moisture, which causes road damage, and therefore, more work in maintaining the roads.

Did You Know? You Can Newspaper Weeds Away: Start putting old newspapers in your plants, first work the nutrients in your soil; wet the newspapers; put layers around the plants overlapping as you go; cover with mulch and forget about weeds. Weeds will get through some gardening plastic; they will not get through wet newspapers.
